the modulator

Sound Files Included!

The **Modulator** is an interactive **PDF** file. The inter-active keyboard will direct you to all the **modulations** in the **FROM** key. After selecting the **FROM** key, select the **TO** key. Choose the **modulation** that suits you.

Click the Home icon from the TO Key pages to return to this page.

Minor modulations:

- Select a Major to Major modulation
- Lower the third of the minor key (Major to minor; minor to Major; minor to minor)
- The modulations telegraph the To Key

Click the button at the top right of the modulation to play the mod.
